Dear Andrew,

Thank you for the recent installation of our ensuite shower room. We found the standard of your work excellent, with particular attention to detail. The advice that you gave us with regard to the design of the room, in terms of what would be aesthetically pleasing and what would work practically was invaluable. (with particular reference to the great look of the floor and wall tiles).

We all (including the kids) found you polite and friendly at all times, nothing was ever too much trouble, whatever we asked. So once again, thank you, and we will be seeing you in the new year to replace our bathroom.

Kind regards.
