Dear Andrew,

I just wanted to write to thank you for the excellent work you've done on our two bathrooms. We're all very pleased with them and they're a great benefit to our home.

I was very impressed by how thoroughly you went through the specifications; sometimes checking equipment installation with the manufacturers. I feel that both jobs were very well thought through and that your work was of the highest standard. When I had any building to do in the bathrooms I'm grateful that you were flexible enough to work around me. I was pleased that you let me know how the work was progressing, and always when you would arrive to work.

Overall I am very pleased with our two beautiful bathrooms and would have no hesitation in recommending you to other people.

Kind regards
Simon Gunn
